

REMARKS

The objection under Section 112 has been corrected as suggested.

With respect to the Section 103 rejection, reconsideration is requested in view of M.P.E.P. § 706.02L2. The present application and the cited patent were, at the time the present application was made, owned by Intel Corporation.

Therefore, the rejection is overcome under Section 103(c) since the present application was filed only days after the cited patent.

Respectfully submitted,

Date: September 9, 2009
